

## REMARKS

Claim 1 was objected to because of an informality in the claim format. Applicants have amended claim 1, without changing the scope of the claim, by re-writing the claim elements to each begin with a verb ending in "ing," per Examiner's suggestion.

Claim 1 was rejected under 35 U.S.C. 112 as being indefinite. Examiner asserted the claim as written was unclear regarding the meaning of "exposing to the broker a set of at least one generic mortgage lender profile." In response, Applicants have amended claim 1 in a manner suggested by Examiner. Applicants believe the amendment overcomes the rejection.

Applicants thank Examiner for the continued attention to this application. No fee is believed due in connection with this filing. However, should one be deemed due, the Commissioner is hereby authorized to charge Deposit Account No. 50-1065.

Respectfully submitted,
